

If You Give A Mouse A Cookie

If you Give a Mouse a Cookie is a fun classic story for children. This delightful book teaches children about cause and effect while creating plenty of repetition that makes it an excellent book for teaching young children to read. Or at least early reading skills and a love for reading. This book is one of several from the author Laura Numeroff that have captured the hearts of children for years.

Practical Life Skills

When it comes to this classic book, the best thing you can do to make a fun preschool lesson plan is to take your child into the kitchen to bake a batch of cookies. Nothing fits with this story as much as a batch of chocolate chip cookies and a big glass of milk. Baking cookies with your child helps them work on basic motor skills and makes for fun math practice after baking cookies sit around together and enjoy fresh warm gooey cookies together.

Preschool Math Activities

It is easy to incorporate hands-on math activities using this fun book. Have your child help count cookies. Work on fractions by teaching your child how to split a cookie in half to share.

You can find free playdough mat printables to go with this book here on Natural Beach Living. Add these fun counting mats to your lesson plans for If You Give a Mouse a Cookie.

These playdough counting mats are great for sensory play, fine motor skills, and math.

If You Give A Mouse A Cookie Craft

Use paper and glue to help your child make a giant cookie craft to display and show to friends and family when they come over. This craft is a great way to encourage your child to tell everyone about the book you read together which helps your child work on reading retention skills.

Make a fun mouse puppet to act out the book. This can be as simple as a paper bag puppet using whatever supplies you have on hand, or you can find more advanced craft ideas on Pinterest.

Sensory Play - Playdough

Make an edible chocolate chip playdough to use as a sensory activity for your child. You can use this edible play dough to shape letters and numbers to have fun creating with this new texture before allowing your child to enjoy it.

Dramatic Play - Gross Motor

Help your children pretend they are the mouse and the boy from *If You Give A Mouse a Cookie* so they can act out the book. This is a great way to get your active preschoolers up and playing during lessons. If you are only working with one child, you can take turns with your child being the characters.

Literacy

Make Vocabulary word cards to go with the book. You can put these around your house, on a word wall, or in a writing center.

If You Give A Mouse A Cookie

Extra

If you or your child likes movies, you can end the week by watching a video with your child. You can find recordings and animations of If you Give a Mouse a Cookie on youtube. The episode from reading rainbow that includes this story is available on YouTube and Amazon video. It's a fun way to bring the book to life and make reading even more interesting to your young child.

Building connections between different projects and everyday life to the book you are using with your child is a great way to help your child build strong reading comprehension skills. Reading comprehension is a vital tool for helping your child improve reading skills over time. The more you work on making these connections, the more your child will begin to do this on their own.
